Department of Transport

Order

No. D.Tpt/EST/2979/2021/114

Sub.-: Implementation of Integrated Road Accident Database (i-RAD) application.

Road accidents in India have increasingly become a matter of concern claiming lives and causing injuries to many. Hence with a view to accurately identifying accidents spots and taking corrective steps, the Ministry of Road Transport and Highways (MoRTH) has developed an Application to manage database of road accident spots under the project "Integrated Road Accident Database (iRAD)". The objective of the project is towards enhancing road safety.

The development and implementation of iRAD has been entrusted to National Informatics Centre Services Inc. and IIT Madras is involved in data analytics of road accident data for forecasting & decision making by Apex Authorities and for formulation of new policies & strategies. Following are the stakeholder Departments associated with iRAD Project at State Level:

1. Police Department
2. Transport Department
3. Health Department
4. Highways/PWD Department

Roles & Responsibilities of each of the Stakeholder Departments are as follows:

Police Department

- Whenever accident occurs the departments field officer will reach the accident spot.
- Inform the Health Services to extend medical facilities to the injured patients.
- Thereafter officer will login to iRAD Live App using own credentials.

- After successful login the field officer will then complete the accident data entry by recording the information such as accident time, date, GPS location, severity etc. and thereafter the accident ID is to be created.
- Further he will record details of fatality, injured patients, No. of vehicles, passengers or pedestrians involved in the accident.
- Record the Registration No. and its details of the vehicles involved in accident.
- Record the Driving Licence No. and driver details involved in the accident.
- Record the accident photos, short video and thereafter save accident details for further investigation.
- Thereafter if required push/update the accident data to CCTNS/GCOPS system through the available interface, for purpose of FIR registration.
- Later PI/SO may decide and accordingly send request to MVI of Transport Department for inspection of vehicle and if required to the Highways/PWD Department for Road Inspection through the iRAD Application.
- PI/SO Level iRAD ID Role will be also be involved in the User Management and Authorization.

Transport Department

- After receiving the Vehicle Inspection request from Police Officer, the Motor Vehicle Inspector/Asst. Motor Vehicles Inspector will login to the iRAD App and carry out the inspection of vehicle and details such as class of vehicle, mechanical failures, tyre conditions, condition of brakes, steering, damage status is to be recorded.
- Thereafter generate & submit the Accident Investigation Report to the concerned Police Station.

Health Department

- Initially each of the State Hospitals has to be mapped and registered in IRAD App.
- In case there is an accident and the patients are to directly shifted to the hospital, thereafter information related the same is required to be shared between Police and Health officials with the help of iRAD Application.
- Subsequently Reports such Drunkenness, Postmortem, Discharge summary, Patient info can be shared between Police and Hospital.

Highway/PWD Department

- In case there are repeated accident at a location and the accident spot needs an inspection then upon receiving the intimation from Police Department. The Highway/PWD officers need to visit accident spot.
- Later inspection of road is to be carried out and road details like type of road, topology, geometry, traffic movement, junction type, sight distance are to be recorded using the iRAD App.
- Subsequently required to do identification of black spots, suggest any modification in road, mention any missing signboards etc.
- Suggest remedial measures and road correction, if any.

All the stake holder departments are required to ensure compliance as per above listed roles and responsibilities and record the live accident details using the iRAD Application on regular basis.

This is issued with the Government approval vide U. O. No. 27/F dated 04-01-2022.
